● ABOUT OUR SCHOOL

As the oldest team to run educational institution, The Research School International remains committed to providing an academically rigorous education to students who will walk out of school ready for lives of leadership and service to their community. From literacy to learning and art, each day at the Research School is filled with activities that are both enriching and fun.

We strive to be committed to the students we are privileged to serve, in our alumni association, our dedicated, talented faculty and staff. We also take pride in having the most active and helpful group of partners, visionary parents, well-wishers, alumni and friends.

● THE BEST SCHOOL

Education Plans enriched with Oxford Syllabus with highly qualified and experienced staff.

Research School International committed to achieve the highest level of satisfaction of parents in the studies and learning of their kids.

Why You Choose Us?

Research School International is home to a collaborative, supportive, diverse, and ever-growing community more like a family than a school. Research prides itself on academic achievement and outcomes, global integration, faculty excellence, and a personalized approach to teaching and learning.

Our Values

We aim at inspiring our students to dream more, learn more, do more, and become more in their respective journeys of life.

Everyday at the Research School International is like a blessing with the active students and talented staff members around.

Our Facilities

Group Activities

Common activities include student government, honor societies, service clubs, arts organizations and debate competitions etc.

Innovative Technology

ICT or IC-TECH (Innovation in curriculum through Technology) is a group of courses provided to the students.

Best Education Plans

Education Plans enriched with Oxford Syllabus with highly qualified and experienced staff.
